The A.P. Giannini Foundation invites physician-scientists and junior researchers with 3-36 months of postdoctoral research experience to apply to the 2020 Postdoctoral Research Fellowship Program. The program supports innovative research in the basic sciences and applied fields, and trains fellows to become established investigators. The research project should advance the translation of biomedical science into treatments, prevention, and cures for human diseases.

**KSOM TIMELINE**

**Thur., Sept. 5, 2019**  
Informational session

**Fri., Oct. 4, 2019**

Light refreshments provided.

**ELIGIBILITY**

- **New for 2020: CHLA applicants now eligible.**
- Must be a U.S. citizen or permanent alien resident.
- Must have completed no less than 3 nor more than 36 months in mentor’s laboratory as of Dec. 31, 2019.
- Must hold or complete a PhD; MD; MD/PhD or equivalent degree before activation of training.
- Applicants from CHLA and KSOM must arrange research training before applying to the program, must be sponsored by KSOM, and under the mentorship of full-time faculty PI at KSOM.
- KSOM mentor may supervise a maximum of two Giannini fellows in any one year.

**STIPEND**

- Competitive annual stipend for research training and are required to attend an annual colloquium for career development programs, services and resources.
- Stipends can only be used for salary support. The current stipends are $55K in Year 1, $56K in Year 2, and $57K in Year 3. The Foundation will announce the 2020 fellowship stipends by December 15, 2019.
- Candidates are eligible to obtain additional salary support from their sponsoring institution but cannot concurrently hold another full fellowship from another source or a federally funded career development award.

**INTERNAL SUBMISSION AND SELECTION PROCESS:**

The application portal opens on September 5, 2019:  
https://tinyurl.com/apgiannini

- The Office of Foundation Relations must receive completed application and letters of reference before 5:00pm (PT) on Fri., October 4, 2019 for an internal review organized by the Office of Research Advancement.
